

## Ginger

Ginger is a six year old Ridgeback Mix who is well-versed in the teachings of yoga. Through many years of study (not to mention natural talent) she has perfected the "Reverse-Dog Vinyasa" flow of Downward Dog-Upward Dog, which has become her "signature" move.

When not meditating on couch, bed or backyard, Ginger can be found taking in the sights with the wind in her ears, enjoying being chauffeured by her mother, Shari. Her chief motivators in life are love of others and an irresistible devotion for treats.... a simple yet profound outlook that she loves to share.

Ginger is often to be seen at Sun Dog Yoga, and is always available for love consultations and cookie retrievals.
